Part of Commerce Way trail is finished

The Courier-Journal

Part of the bike and pedestrian trail along Commerce Parkway in the La Grange area is complete.

There will be a ribbon cutting for the 1.2-mile route at 5 p.m. Wednesday, June 24, at the corner of Allen Lane and Commerce Parkway.

The 10-foot-wide trail is part of a larger plan to have a trail for bikers and walkers that runs across the county. Ground also will be broken June 24 on the 1.8-mile portion of the trail that is expected to be finished by the end of the year.

Greenways for Oldham County will have a walking tour of the trail June 24 starting at 4:30 p.m. at the Oldham Plaza shopping center and ending at the site of the ribbon cutting at Allen Lane.
